YOU'RE LOOKING FOR?
HARNESS THE POWER OF
JOINED UP BUSINESS REPORTING

HOSTED BY XBRL IRELAND

Annual reports in Denmark

Why?

Annual reports in Denmark

Status:

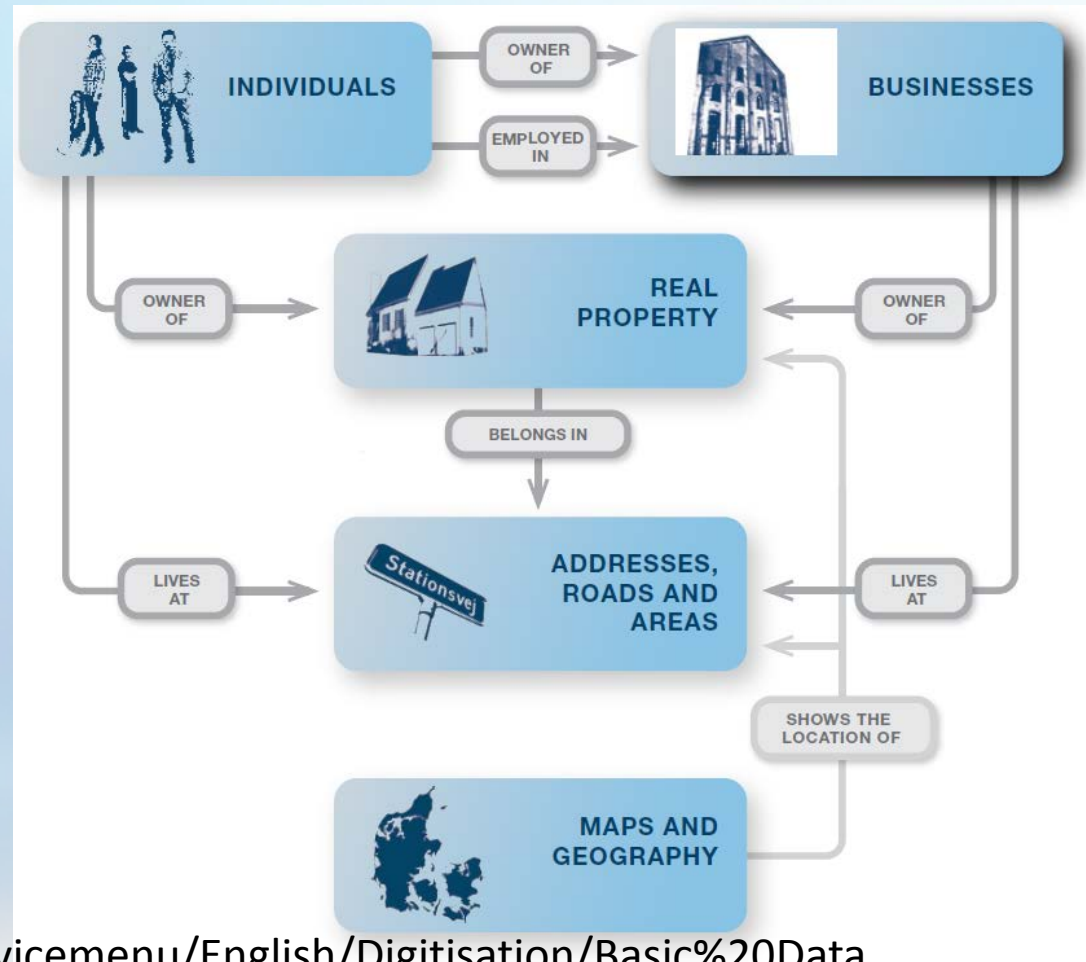

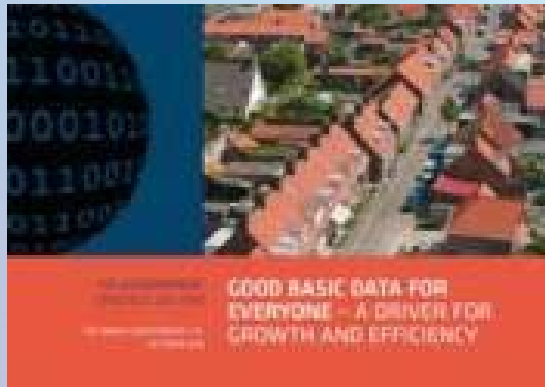

- 210.000 companies annual reports to DBA – public access
- 5 months after balance date; 90 % of annual reports are made by auditor
- All annual reports are filed in XBRL and PDF
 - Including non-financial and financial data
- Rules are defined in the accounting law
- First 9 month mandatory: 95 % filled in XBRL

Annual reports in Denmark

Use of XBRL-instances

- All instances are publicly available from May 2013
 - User stories: Banks, data distributors, credit rating agencies
 - Setting data free
- The "Norwegian" study (Tax, statistics, etc.)
- Pillory, crowd-insight
- Integration to "big data"
