File online and you'll see paper in a whole new light.

Webfiling is the easy and secure way to file your company information online. It costs less too – file annual returns online for half the price of filing on paper, only €15. You can file all of your company information online, free of charge and without leaving your desk.

Webfiling is the most secure way to file information with us. And, for added peace of mind, we send a confirmation email to let you know it's arrived, safe and sound. With no paper postage or packing worries to worry are making.

See how easy it is. For information and a step-by-step demo on how to file online, visit www.companystheir.ie/go/online
